13) STUDENTS' HOSTSEL

This hostel, surrounded by lush green environs, provides the right atmosphere to study. This is solely maintained by the students themselves, is a real boon to those students who come from far-away places to pursue their diploma studies here. Students partake hygienically prepared food here and sit under shadowy trees for academic inter-action. Vast stretches of play ground abutting the hostel rejuvenates their body and mind through sports and games.

HOSTEL

Vision:

To provide homely environment to boarders,
so that they can make fullest use of their
capabilities and energy in building an equitable
social order in the changing context of present
day world.

Mission:

We aim at building a society where women can
contribute evenly to its growth and deployment.
We celebrate the idea of producing women
leaders who can act as agents of change and
development in tumultuous times.
